### Principals Corner

One of the things about working in education is the continuous focus on learning. Learning is at the heart of everything we do. As such, we often value and place importance on what the adult thinks the learner should know, what the adult thinks is important for the learner to understand.

Another great thing about working in school is the ability to learn from the kids. Kids can teach us a lot about what is important, about what is worth valuing. You may ask, “What can a kid teach an adult?” The answer is simple...a whole lot. One of the things they teach us is that there is joy in every day. In fact, there is joy to be found multiple times a day from multiple places. They teach us that they listen. Have you ever wondered if your child is even listening to you? They teach us through their actions and even through using our own words that they are.

So, what does your child think is important? What do they value? Have you asked them?

As always, thank you for the privilege to serve as your Principal. Do not hesitate to reach out if I can help in any way.

### 5<sup>th</sup> Grade Pajama Drive

Every year, new pajamas are donated to local children in need. Through Scholastic Books and the Pajama Program, a book is matched with each pair of pajamas. These items are presented to Family Haven, a local organization that assists children in need.

The 5<sup>th</sup> grade classes will be collecting pajamas for donation and book matching. All pajamas must be new, and all sizes are needed.

If your family is able to assist with the pajama donations, please send them to the box outside Dr. Bulau’s classroom (room 394).

Thanks in advance for helping us be COLTS WHO CARE!

2020 is a year that we will all remember for a long time and we want to be sure we can capture it in the yearbook! In order to do that, we need your help! Please start sending us any pictures you have from vacations, birthdays, virtual learning days, etc. A lot of our content this year will be based on experiences outside of school. Please see the instructions for downloading our Balfour Image Share app below that will allow you to send us your pictures. If you have any questions, please send us an email at: [yearbook@kmepto.org](mailto:yearbook@kmepto.org).

1. Search for Balfour Image Share in your app store
2. Download the app and create your account
3. KME's project code is: 120919 (no password is needed)

Please be sure to include your teacher's name and grade in the picture info so we can make sure they end up in the right spot in the yearbook.
